This statement was adopted unanimously by the International Committee of the Fourth International on 25 February 2014.

Faced with the offensive of the rightwing opposition against the government and the Bolivarian people, that, using fascist methods of political pressure, is seeking to dismantle the political, economic and social conquests won during the process of the Bolivarian revolution. The organizations and figures who have signed below maintain: Our internationalist solidarity with the Bolivarian people and conviction that only the mobilization and the self-organization of the people can consolidate and deepen the Bolivarian revolutionary process.
