The New Fascist International, by Ugo Palheta. We need £2,000 to finance the translation

Published by Textuel in 2025, the English language edition – to be published by Resistance Books – will be updated by the author. With Putin, Trump, Farage, Le Pen, or Netanyahu,... fascism is creeping forward internationally. Ugo Palheta deciphers its global dynamics, analyses its ideology and transnational alliances, and what makes its project attractive. This book helps us understand in order to resist.

Ugo Palheta is a sociology lecturer at the University of Lille. He is the author *Why Fascism is on the Rise in France: From Macron to Le Pen* (Verso, 2025), co-editor of the online journal *Contretemps*, and a member of the NPA-A and the Fourth International.
