**The text below is a manifesto by Russian feminists who have united against the occupation and [war in Ukraine](#).** Feminism is one of the few opposition movements in contemporary Russia that has not been destroyed by the waves of persecution launched by Vladimir Putin's government. At the moment, several dozen grassroots feminist groups are operating in at least thirty Russian cities. In this text, feminists taking part in antiwar demonstrations around the country call on feminists around the world to unite in opposing the military aggression launched by Putin's government.
