Russia/Ukraine:

“We are in a worse situation than during the Cold War”

Ilya Budraitskis, a Moscow-based historian and author, is one of the most credible and courageous left-wing critics of Vladimir Putin's regime. He is also an original writer who does not follow fashionable doctrines. In January of this year, Verso published his book “Dissidents among Dissidents”, which focuses on the evolution of the most endangered political currents in Russia. [1] He analyses the Russian left after the fall of the Soviet Union, when political groups ranging from anarcho-socialists to Trotskyists were active in Russia, critical of both Yeltsin's neoliberalism and political movements based on nostalgia for the USSR and, later, the regime of Vladimir Putin.
