On Friday, 28 November 2025, the International Committee of the Anti-Fascist Conference and for the Sovereignty of Peoples was launched. The conference will be held from 26 to 29 March 2026 in Porto Alegre. The virtual meeting, led by the Brazilian committee from the capital of the state of Rio Grande do Sul, brought together more than 80 comrades from different parts of the world, including Belgian historian Eric Toussaint, a leading figure in the anti-globalisation movement and direct promoter of the conference, and benefited from translations into French, English and Spanish.
